

Registration for afternoon care (NAMI) at DBSAA

for students of grade 1 to 5

I herewith bindingly register my child .....  
Surname; first name grade  
..... for the afternoon care program.

Please indicate the day:

classes 1a und 1b:

Table with 5 columns (Monday-Friday) and 2 rows of time slots (15.00 hrs and 16.00 hrs) with checkboxes.

grades 2 bis 5:

Table with 5 columns (Monday-Friday) for registration.

- The afternoon care takes place during official opening times at the DBSAA; not during public and school holidays.
The supervision starts at or after the 6th period (12:30pm/1:15pm) and ends at 4.00 pm.
The chosen days above for the participation in the afternoon care program are binding and important for us to know so we can plan accordingly.
The school can cancel the afternoon care program for budget, disciplinary (serious infringements against the school rules) and/or other reasons.
The parents are obliged to inform the NAMI-teachers verbally, by phone or in written form in case the child is registered in the afternoon care program but is not participating. This is very important due to security reasons.
Children that are not students of the DBSAA cannot participate in the afternoon care program.
The school regulations also apply to the afternoon care program.
I oblige to pick up my child on time at 4.00 pm. The school will take no liability or has obligatory supervision for the supervised children after 4.00 pm. The obligatory supervision after 4.00 pm lies with the parent or legal guardian.
